Email & Roster Authorization

Members have requested that an email address and/or phone number be included on our Membership Roster but this is only included with approval by each owner's option. If consent is not received, then only matters of public record (name/CP house address) will be listed on the roster. Please check below as appropriate.

In addition, in order to provide timely information to members by email, we require authorization for CPPOA to use electronic communication (email) for newsletter and correspondence to your household. This email will be used for distribution of information to CPPOA members only and will not be disseminated otherwise. Use of email is also more cost effective. If consent is not received or no email is provided, only critical information will be sent to you by paper mail. If any changes or you have not previously completed this form, please sign and return form with your dues submission.
